

CENTENNIAL AT TEJON RANCH

I support Centennial at Tejon Ranch and ask that LA County approve it so we can have access to the community services our area desperately need: Schools, library, fire station, sheriff station, parks, trails, hospital/medical facilities and more.

It's been decades in the making. It's part of the Antelope Valley Area Plan. It's included in the LA County General Plan. It's time for a final approval. Get Centennial approved and moving forward!

- ✓ 19,000 New Homes
- ✓ 10% Affordable Housing
- ✓ 23,000 New Jobs
- ✓ \$31 million surplus to LA County
- ✓ 240,000 acres preserved open space
